

At CHP the cottage owners can experience the hassle free homestay execution by CHP team.

1. The cottage owner decides whether or not to rent out the cottage for homestay.
2. For houses that are under homestay plan, the owner has Liberty to visit and stay in cottage, with 15 Days prior notice to the CHP team.
3. Homestay rates will be mutually discussed and agreed with cottage owners.
4. Web portal will be used to track homestay status of each cottage.
5. Profit from homestay will be shared as per 65/35 Ratio, 65% Association and 35% Cottage Owner.
6. Homestay charges will include accommodation and 3-time veg meal with standard menu item.
7. CHP will work on following homestay promotion strategy –
  - List CHP community in different commercial sites.
  - Reach out to different organizations in metro cities with corporate discount plans.
  - Tie up with different organizations for remote work options from CHP community.
  - Work with cottage owners on possibilities to promote HOME STAY Business plan in their respective organizations.
